## **ADMINISTRATIVE POLICIES AND PROCEDURES**

### **WEARING OF SHORTS**

<b>Effective Date:</b> 1/1994	<b>Resolution:</b>
-------------------------------	--------------------

Employees working in the field in a position not exposing an individual to safety hazards will be allowed under this policy to wear shorts during those months when temperatures are very hot. Shorts will be Bermuda style walking shorts appropriate for the workplace. In no event will cutoffs, short-shorts or ragged/torn shorts be allowed.

This policy does not extend to those employees employed in the public works department where safety considerations and Cal OSHA policy does not allow the wearing of shorts.
